

FRIDAY THE 13TH RELEASE SET FOR “THE BEACON”

After a series of successful sneak previews around Texas, “THE BEACON” will open on Friday the 13th (of November) for a special week-long engagement at ShowBiz Cinemas 12 in Waxahachie, Texas.

ShowBiz Cinemas 12 is located at 108 Broadhead Road. It provides a first-class movie going experience for every patron who enters its theatres.

“THE BEACON” was shot in and around Waxahachie, so the selection of ShowBiz Cinemas 12 was a natural. A number of area residents appear in the supernatural chiller as extras.

The haunted hotel that doubles as the Beacon Apartments in the movie has recently reopened with offices, a restaurant, and the live After Hours Improv Theatre. A special event honoring the film is planned at the location for November 14th.

"Horrible things happen to those who try to unravel the mystery of the Beacon Apartments"
